Yarmouth Green Map

Nova Scotia, Canada
2003

History, Arts and Culture
Page 2. Central Town Area Detail

revised 9/26/03

This detailed map of the major historic residential district of Yarmouth is the first map to show the locations of all of the historic register buildings in our central part of town. A walking tour map available at the tourist center describes some of them. There are many more beautiful Victorian homes in this part of town. We will have them added on future maps.
